PRONUNCIATION.

TIOK soupe and practical service this Work

stands unrivalled. All the new words

pelled to coin to express the numerous objects

given, the accents being carefully marked on the heat principle bitherto attained. The typo-graphy displays the success of an attempt to make the Chinese and English type correspond

n the size of body, thereby effecting a vast

recommy of space, schieving a clearness not

previously attained, and dispensing with those

vast margins and vacant spaces which have

The scope of the work is so great, and its

utilitarian purposes so complete, that a re-

forence to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chi-

nese. In this respect the work will be found

indispensable to all Europeans residing in

China, and to the natives themselves it ex-

China it cannot but be invaluable occasionally.

Extracts.

The Cathedra Fof St. Isano (which is separated from the Nova by a vast open square, ornamer ted with a magnificent bronze statue Peter the Great) is built in the form of a Greek cross, with a gate at each of the four sides and with its granite monoliths sixty feet high "Wits dome plated with gold a quarter of an incl in thickness, and its gorgeous interior forms one of the most striking and splendid decorations of the Northern metroplie. Arrived at the vast entrance, we find our way barred by a crowd surging round a range of wonden chevaux defrise, behind which stand two policemen of gigantic etature, who ever and anon slightly open the barrier, and allow a few drops of the living sea to trickle through. Each apotheosis of the foremost rank inspites those behind with the desire to rush after them; the mass cusues, and amidst jostling and elbowing. crushing of toes and knocking in of bats. and a chorus of shricks from women and children, alternating with rumbling onthe from the two guardian Titans, the movement is we succeed in making good our entrance. great enryed doors swing heavily back, and lo ! around the tall consecrated candles; but for the most part wrapped in Shadowy dimness, amid which the voiceless crowd appear and vanish like a host of phantoms. In the centre is a high platform, from which rolls the deep; sonorous voice of the officiating priest reciting, in that strange old Solavonio tongue, which the modern Russian has well-night chased from the earth, the customary prayers of the great festivat. Midnight draws near, and suddenly, ne if by magic, shoot upward on every side little jets of flame, breaking asunder and circling as they go. On the vast chandeliers around the altar, up into the dim immensity of the dome itself, the fire flits like a quickenling points of light, and making the mighty ed officers, glittering in gorgeous uniforms, quaint helmet shaped caps, and sweep down the line between the dense masses of beholders to the central platform; while at the same moment the choir peals forth the beautiful nothern. "Lord, bave mercy upon us!" (Gospodi of all Russian music. On the high central descons richly arrayed, who glide up the long vista and vanish into the sactuary, preceded and folded hands, marching in time to a mourngreat event. - Churchman's Shilling Magazine.

that inevitable hour. On one occasion he said

to me, "Let no one come near me when

I am dying, if you can help it, and we happen to

be together at the time." Ther Florida

to London; Colonel Stanhope accompanied me,

This was on Friday, July 2. On the following

Monday I went to Doctors Commons' and

proved Byron's will. Mr Hanson did so like-

wise. Thence I went to London-bridge, got

into a boat, and went to I onden Docks Buoy.

where the Florida was anchored. I found Mr.

Woodeson, the undertaker, on board, employed

in emptying the spirit from the large barrel

containing the box that held the corpse. This

anchored at Gravesend; and I returned

box was removed and placed on deck by the side of a leaden coffin. I stayed whilst the iron hoops were knowled off the box, but I could not bear to see the remainder of the operation, and went into the cabin. Whilst there I looked over the scaled packet of papers belonging to Byron, which he had deposited nt Cefalonia, and which had not been opened since he left them there. Captain Hodgson of the Florida, the captain's father, and Fletcher were with me: we examined every paper, and did not find any will. Those present signed a document to that effect. After the removal of the corpse into the coffin, and the arrival of the order from the Custom-house, I accompanied the undertaker in the barge with the coffin. There wore many boats round the ship at the time, and the shore was crowd. ed with spectators. Thence the comin and the small chest containing the heart were carried to the house in George-street, and deposited in the room prepared for their sways violently forward, a fierce struggle reception. The room was decently hung with black, but there was no other first Company grants Policies on Marine decoration than an escutcheon of the Byron arms, roughly daubed on a deal board. On all parts of the World. reaching my rooms in the Albany, I found a In addition to the usual brokerage, thirty note from Mr. Murray, telling me that he had per Cent (30%) of the Profits will be returned repressed, and the barrier re-closed. At length received a letter from Dr. Ireland, politely de- as Bonus to all contributors of business, wheclining to allow the burial of Byron in West- ther Shareholders or not, rateably in proportion ininater Abbay; but it was not until the next to the amount of Net Premia contributed. the interior, with circles of light here and there day that, to my great surprise, I learnt, on reading the doctor's note, that Mr. Murray bad made the request to the Dean in my name: 1 thought that it had been settled that Mr Gifford should sound the Dean of Westminster previously to any formal request being made. wrote to Mr. Murray, asking him to inform the Dean that I had not made that request. Whether hadid so I never inquired. I ascertained from Mrs. Leigh that it was wished the interment should take place at the family vault at Hucknall, in Nottinghamshire. The utmost eagerness was shewn, both publicly and privately, to get a sight of anything connected with Byron. bung from the lower ceiling, upon the tapers Lafayette was at that time on his way to rates, subject to a discount of 15% America, and a young Frenchman came over from the General at Havre, and wrote me'a note ing spirit, leaving in its course endless twink- requesting a sight of the deceased poet. The coffin had been closed, and his wishes could not arches of the roof stand out like the skeleton of be complied with. A young man came on board some dend mammoth seen beneath the moon. the Florida, and in very moving terms besought light of the far north. Then, at one stroke, the | me to allow him take one look at him.
